O/Ref. : AH/99951  
Subject: **DIGITAL NAUTICAL PUBLICATIONS**

To : All Accredited Shipping Managers, ship owners and managers of Luxembourg flagged ships.

The present circular is to be considered as an add-on to CAM Circular 09/2011 on Electronic chart display and information system (ECDIS). Please note that all requirements regarding back-up arrangements and officers' training detailed in the above mentioned circular are also applicable for the provisions of the present document.

The Commissariat aux affaires maritimes accepts the UK Hydrographic Office (UKHO) digital nautical publications: Digital List of Lights, List of Radio Signals and Tide tables as being equivalent to the paper publications and thus meeting the SOLAS carriage requirement. The use of these digital nautical publications is therefore authorized on board of existing ships flying the Luxembourg flag.

You are requested to ensure adequate dissemination of this information within your company and to the Masters of concerned Luxembourg flagged vessels.
