

Luxembourg, 29th May 2018

Circular CAM 006/2018 – Rev. 2

Subject: Ship Radio Stations - Documents that have to be present on board

To: All Accredited Shipping Managers, ship owners, ship operators, Masters, designated persons of Luxembourg flagged ships, RO's and Flag State Inspectors

O/Ref.: AH/109129

In addition to the Ship Safety Radio Certificate, all Luxembourg flagged vessels equipped with a ship radio station are required to carry the following related documents:

- Ship Radio License
- Certificates of competency of the Radio Operator(s)
- Radio Log
- ITU List of Call Signs and Numerical Identities of Stations used by the Maritime Mobile and Maritime Mobile-Satellite Services
- ITU List of Coast Stations
- ITU List of Ship Stations
- ITU List of Radio determination and Special Service Stations
- ITU Manual for use by the Maritime Mobile and Maritime Mobile-Satellite Services

Maintenance Agreement

When the installation is covered by a shore-based maintenance, it is **recommended** that a copy of this agreement is present on board.

ITU Publications

The catalogue of the ITU Publications is available via [this link](#).

Adequate dissemination of this information within your company and to the Luxembourg flagged vessels which are affected is requested.
